

Aeroflex test products currently available for MIPR under contract:

PSD90-1C AC/DC Fuel Capacitance Test Set

NSN: 4920-01-510-5628

- Tests any AC or DC capacitive fuel, water, LOX/engine oil or other AC capacitive system*

PSD60-1AF AC Capacitance Fuel Quantity Test Set

NSN: 6625-01-297-5305

Contract #: FA8531-07-D-0003

- Calibrate and troubleshoot any AC capacitive fuel, oil or LOX quantity system*

*Aircraft-specific interface cables are required and must be purchased separately.

IFR 4000 Nav/Comm Test Set

NSN: 6625-01-516-4656RH

Contract #: FA8517-04-D-0008

- Tests VOR, ILS, Marker Beacon and VHF/UHF
- ELT Software upgrade available

IFR 4000AR Nav/Comm Test Set

NSN: 6625-01-559-2384

Contract#: W58RGZ-09-D-0007

- Same features as IFR 4000 plus added protective cover

TS-4530/UPM Transponder/IFF Test Set

NSN: 6625-01-483-7194

- Performance and capability upgrade to the AN/APM-424(V)2 Test Set
- Tests Modes 1,2,3/A,C,4,S,TCAS and ETCAS

TS-4530-1/UPM Transponder/IFF Test Set

NSN: 6625-01-570-7091

- Same features as TS-4530/UPM plus EHS Transponder Test Mode

3515N Portable Radio Communications Test Set

NSN: 6625-01-538-0285

Available through NAVICPmart (www.navicpmart.com)

- Quick drive-by testing to isolate radio installation failures
- Built-in generator and receiver to 1 GHz

3515AR Portable Radio Communications Test Set

NSN: 6625-01-572-6346

- Same features as 3515N plus Spectrum Analyzer, Oscilloscope, PRM-34 Emulation and protective cover

Additional options available for 3515N and 3515AR including P-25

Radio Communications Test Systems (RCTS)

RCTS-001 (AN/GRM-122) Radio Test System

NSN: 6625-01-432-8369

- Semi-automated testing of SINCGARS tactical communications

RCTS-002HQ (AN/ARM-204A) Radio Test System

NSN: 6625-01-497-5073

- Semi-automated testing of UHF and VHF HAVEQUICK II and tactical communications

RCTS-003B Radio Communications Test System

NSN: 6625-01-556-0332

- Semi-automated testing of Life Support communications

GRM-122 AV Kit

NSN: 4920-01-551-6540

- Avionics kit upgrade for the GRM-122

RPM-012 Radio Personality Module

NSN: 4920-01-552-0586

- Avionics test system add-on to RCTS Series

All products are available on GSA contract.
